20th Annual Report 2016-2017

Explanatory Statement

(Pursuant to Section 102 of the Companies Act, 2013)

No. 4, 5 & 6 – Appointment of Independent Director

Pursuant to provisions of Section 161 of Companies Act, 2013, the Board of Director of the Company at their meeting held on 9th September, 2016 appointed Mr. Vinit Rathod and Ms. Shweta Jain as Additional & Independent Director and Mr. Manan Shah as Additional & Independent Director on 13th February, 2017.

As per the provisions of Section 161(1) of the Act, Mr. Vinit Rathod, Ms. Shweta Jain and Mr. Manan Shah holds office of Additional Director only up to the date of this Annual General Meeting of the Company, and are eligible for appointment as Director. The Company has received a notice under Section 160(1) of the Act proposing their candidature for the office of Director of the Company, along with the requisite deposit.

Further, the provisions of the Companies Act, 2013 with respect to appointment and tenure of the Independent Directors requires every Public Company fulfilling the prescribed criteria as laid down in Rule 4 of Companies (Appointment and Qualification of Directors) Rules, 2014 to appoint an Independent Director on its Board. In terms of provisions of Sections 149, 150, 152, Schedule IV of the Companies Act, 2013, read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Board of Directors of the Company had appointed (subject to approval of the members at Annual General Meeting), Mr. Vinit Rathod, Ms. Shweta Jain and Mr. Manan Shah as an Independent Directors of the Company within the meaning of Section 2(47) read with Section 149(6) of the Companies Act, 2013 and Regulation 17(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for term of 5 consecutive years and to hold office till 25th AGM. Mr. Vinit Rathod, Ms. Shweta Jain and Mr. Manan Shah have given declaration to Board that they meet the criteria of Independence as provided under Section 149 (6) of the Companies Act, 2013. Each Director fulfills conditions as specified in the Act and rules framed thereunder for appointment as an Independent Director and they are Independent of Management. In compliance with the provisions of Section 149 read with Schedule IV of the Act, the appointment of these Directors is now being placed before the members for their approval.

A brief profile of the Independent Directors to be appointed is given below;

Mr. Vinit Rathod is a Chartered Accountant and has sound exposure of Taxation and Finance. He has previously worked with Deutsche Bank, Nishith Desai & Associates, etc. He is currently engaged in his business of manufacturing of wholesale made-up jewelries. He has a strong background in managing business, finance, taxation and legal matters. He shall provide valuable insights and perspectives to the Board for deliberation on complex financial matters.

Ms. Shweta Jain is a Chartered Accountant. She started her professional career & also currently working with Deloitte India & Canada. She has worked across Global Transaction Advisory services, Corporate Assurance & Audit engagements at Deloitte. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic and Business overview

The Government has been making efforts to improve the business environment in the country and boost manufacturing and overall business environment.

Indian economy remains strong, with robust economic growth, strong fiscal consolidation, low current account deficit, higher agricultural output, growing FDI, low inflation and higher wages in rural areas. Favorable monsoons boosted agriculture and rural consumption, while urban consumption remained robust. During FY 17, the demand remained stable with an exception from Nov-Jan during which owing to demonetization leading to cash crunch, demand uncertainty, etc. The implementation of the GST is a great boost to the economy, it is expected to have positive benefits on reducing transit time, working capital efficiency, bring costs rationalization, etc. over a period of time.

Technical Textiles / Automotive Fabrics

Indian Passenger Car segment has been growing with stable growth rate of 8-10% however the quality of growth in the last few years has come in from low cost / basic car variants and exports of vehicles out of India by OEM's. Majority (3/4th) of the Indian Car industry is dominated by Maruti Suzuki & Hyundai with all other OEM having the balance share. The Automotive Fabrics Industry is directly linked to the growth in passenger car segment and its consumption of fabrics. Other than Automotive Fabrics which are consumed in majority, low cost car variants use Vinyl (PVC) for cost reduction and high end variants use Leather / Leatherites and value added fabrics, both of the aforesaid segment form at least 20-25% of the total consumption and the same is growing by the day. Key aspects of success in this industry are continuous innovation without adding costs, quality performance & timely execution, long term cost competitiveness, capacities, etc. The company operates in the limited area of automotive fabrics only whereas Technical Textiles as such has a wide gamut of applications.

COMPANY OVERVIEW AND OUTLOOK

The Company is engaged in manufacturing and supply of automotive textiles (specialized in Passenger Vehicles fabrics) to OEM's. It is also engaged in the manufacturing of fabrics used in Auditoriums, Luxury Buses and Railway Coaches. Aunde has continuously evolved in development planning and execution strategy to align with specific product needs and standardization of processes. There is constant interaction taking place with OEMs to showcase innovative capabilities which are in sync with the themes / vision of the OEM's for the future launches. This is enabled by Strategic tie ups globally and inputs drawn from Aunde group globally. The other set of factors that drive all new developments towards Aunde is QDS (Quality, Delivery & Service). Quality levels were drastically improved and 100% compliance to delivery schedules followed with all OEMs. Since all OEMs are Just in Time customers, the inventory flow management is key to gain QDS points.

In terms of Total Revenue, the year gone by has been flat with slight de-growth over the last year mainly on account lower volumes as compared to last year. There was a good improvement in EBIDTA owing to savings on account of rationalization of overheads and better efficiency. The coming year is also expected to remain at similar levels in terms of volume, total revenue and profitability. Almost 75% of the total supplies for the last two years has been to 3 major OEMs being Maruti Suzuki, Hyundai & Ford India. The Company is making efforts to gain market share in the current segment and evaluating other avenues of growth including setting up cut & sew (seat covers), etc. in a long run.

OPPORTUNITIES AND CHALLENGES

Technical Textiles are an important part of the textile industry and its potential is still largely untapped in India. With the increase in disposable income, the consumption of technical textiles is expected to increase. Technical Textile Industry is import intensive - high-end products are mostly imported.

Government of India has realized the potential of technical textiles industry and various initiatives as fiscal support, research spending and inter-departmental co-ordination have been taken to promote technical textiles. Make in India supports and eases setting up manufacturing business in Technical Textiles. Along with factors like availability of cost competitive labour, increasing demand, steady increase in infrastructure development, manufacturing thrust, growth in automotive sector.

Some of the major investments and developments in the automobile sector in India are as follows:

- South Korea's Kia Motors Corp is close to finalising a site for its first factory in India, slated to attract US\$1 billion (Rs 6,700 crore) of investment. It is deciding between Andhra Pradesh and Maharashtra. The target for operationalising the factory is the end of 2018 or early 2019.

AUNDE India Limited

- Hero MotoCorp Ltd seeks to enhance its participation in the Indian electric vehicle (EV) space by pursuing its internal EV Programme in addition to investing Rs 205 crore (US\$ 30.75 million) to acquire around 26-30 per cent stake in Bengaluru-based technology start-up Ather Energy Pvt Ltd.
- Ford Motor Co. plans to invest Rs 1,300 crore (US\$ 195 million) to build a global technology and business centre in Chennai, which will be designed as a hub for product development, mobility solutions and business services for India and other markets.
- Suzuki Motor Corporation, the Japan-based automobile manufacturer, plans to invest Rs 2,600 crore (US\$ 390 million) for setting up its second assembly plant in India and an engine and transmission unit in Mehsana, Gujarat.
- China's biggest automobile manufacturer, SAIC Motor, plans to invest US\$ 1 billion in India by 2018, and is exploring possibilities to set up manufacturing unit in one of three states – Maharashtra, Andhra Pradesh and Tamil Nadu.
- FIAT Chrysler Automobiles has recently invested US\$280 million in its Ranjangaon plant to locally manufacture Jeep Compass, its new compact SUV which will be launched in India in August 2017.

The company shall evaluate all opportunities that come along in the space to grow by venturing into potential other segments apart from automotive fabrics. Barring unforeseen circumstances the company is confident of achieving better results in the current year.

The Automotive Fabrics segments faces threat / challenges from the PVS / synthetic leather in terms of cost efficiency and artificial leather in terms of acting as a substitute to the automotive fabrics. Also with growing disruption towards electric vehicles might bring unforeseen challenges to the entire automotive value chain.

HUMAN RESOURCES/ INDUSTRIAL RELATIONS

Employee relations in your Company continued to be harmonious. Our Company has been continuously working to improve human resources skills, competencies and capabilities in the Company, which is critical to achieve desired results. we support the professional development of our employees and through on-the-job opportunities and rewards and recognition for superior performance, Suitable Learning & Development initiatives were organized.

Talent retention was done and fresh talent was inducted for key roles. Our Company has also encouraged wholehearted participation of the employees in improving productivity as well as quality of its products. Employee engagement initiatives were organized which were well received and reinforced the team spirit. Your Company continued to make substantial investments in human capital and information technology to meet its growth targets.

POLLUTION AND ENVIRONMENTAL CONTROLS

Your Company continued to emphasize on creating pollution compliant and a safe work environment for its employees. The Company has taken up several initiatives on clean technology, energy efficiency etc. Aunde India Limited is conscious of the vulnerability and the essence of a healthy and clear environmental surrounding.

INDEPENDENT AUDITOR'S REPORT

To the Members of AUNDE INDIA LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Aunde India Limited ('the Company'), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

AUNDE India Limited

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Aunde India Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Financial Statements for The Year Ended 31st March 2017

1 Corporate Information

Aunde India Limited (The Company) is a Public Company incorporated & domiciled in India. The Company's equity shares are listed on the Bombay Stock Exchange. The Company is engaged in manufacturing of Automotive Fabrics and is a nominated supplier to all the major OEM's in India viz. Hyundai, Ford, Maruti Suzuki, Honda, Mahindra, Toyota, Renault, Nissan, etc.

2 Basis of Accounting

The Financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply with all material respects with the Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 Summary of significant accounting policies

a. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

b. Tangible and Intangible Fixed Assets

Fixed assets, except land and buildings acquired before 1 April 2007, are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c. Depreciation on Tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its fixed assets. Individual assets costing up to Rupees five thousand are depreciated in full in the period of purchase.

Asset Description	Useful Life in years
Factory Building	30
Residential & Office Building	60
Plant and Machinery	15
Laboratory Equipments	10
Furniture and fixtures	10
Office Equipments	5
Computers	3
Computer Server	5
Electrical Installations	5
Fire Hydrant Systems	15
Vehicles	8

d. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortized on a straight-line basis over the estimated useful economic life. The Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds five years, the Company amortizes the intangible asset over the best estimate of its useful life.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e. Borrowing costs

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with arranging the borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

f. Impairment of tangible fixed assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is the higher of an asset's net selling price or its value in use, which means the present value of future cash flows expected to arise from continuing use of the asset and its eventual disposal. An impairment loss is reversed, if and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life

g. Government grants and subsidies

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

h. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

AUNDE India Limited

i. Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

j. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of goods have been passed to the buyer, usually on delivery of the goods. Domestic sales are inclusive of excise duty. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Interest

Interest income is recognized on a time proportion basis taking into account outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

k. Foreign Currency Transaction

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined. The exchange differences arising on restatement of monetary items are recognized as income or as expenses in the period in which they arise in the statement of profit and loss. Company has included the Foreign Exchange Fluctuation Gain in sales.

l. Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

20th Annual Report 2016-2017

m. Retirement and other employee benefits

Retirement benefit in the form of provident fund and family pension fund is a defined contribution scheme and is charged to the statement of profit and loss. The Company has no other obligation, other than the contribution payable to the provident fund and family pension fund.

n. Segment reporting

The Company has only one segment of activity namely "Automotive Fabrics".

o. Earnings per share

Basic earnings per share are calculated by dividing the net for profit and loss after taxes for the period attributable to equity shareholder by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus elements in a right issue, share split, and reserve shares split (consolidation of shares) that have changed the number of equity outstanding without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss after taxes for the period attributable to equity shareholders and weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

p. Provisions

Provisions are recognized when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligations and reliable estimate can be made of the amount of obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

q. Contingent liabilities / Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

r. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short term investments with an original maturity of three months or less.

s. Measurement of EBITDA

As permitted by the Guidance note on the revised schedule III to the Company Act, 2013, the Company has elected to present earnings before interest tax. Depreciation and amortization (EBITDA) as a separate line items on the face of the statement of the profit & loss accounts. The Company measured EBITDA on the basis of Profit & loss for continuing operation. In its measurement, the Company does not include depreciation and amortization expense, finance costs, exceptional items and tax expense.

All amounts in Financial Statements are presented in ` in Lacs, except for per Equity Share data and as otherwise stated.

The previous year figures have been regrouped/reclassified, wherever necessary to conform to the current year presentation.
